HEADTEACHER'S THOUGHTS THIS WEEK

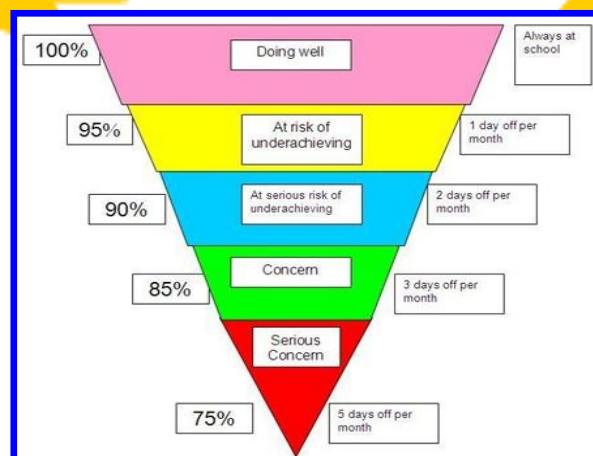

Dear Parents,

- Thank you to all of the parents who supported the annual PTA Summer Fayre. Your donations are always overwhelming and add to making the Fayre such a success. The grand total will be announced shortly.
- On Friday, you would've received your child's report. Please complete and return the confirmation slip. As always, any feedback is welcome.
- Our final week is always a very busy one, so please check the back page for any important dates.
- Many thanks for your support
Mrs Daniels

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 95%. A special well done to Classes 10 and RDH who had the highest attendance with 98.5%. WELL DONE!

Reminders

At this very busy time of year, we have listed some safeguarding reminders below:

Late

If your child arrives at school after 08:55, please report to the office

Absence

Please report your child's absence before 09:30; after this time, the office will send a reminder text

Sickness

Children should not return to school until 48 hours after the last bout of sickness/diarrhoea

Smoking

A polite reminder that the school and its grounds are a no-smoking area. Please refrain from smoking directly outside the school gates.

Thank you for your support in ensuring the safety and well being of our children.

Sport's Day Events

We were incredibly proud of the resilience and sportsmanship that our children demonstrated this year. It was noted, on numerous occasions, just how supportive and caring our older children towards our younger children. A big "Well done!" to all of the children.

Year 6 Geography field trip.

As part of their geography topic, Bend and Flow, Year 6 visited Margam Park. During their visit they carried out a river investigation. They visited three different sites along the Nant Phillip River and compared the width, speed and depth of the river at each of these sites. This data will then be used back in class to identify features of a river along its course. The field trip covered many geography skills which would not have been possible in the class- room. Year 6 really enjoyed their outdoor learning.
