The Great Outdoors

The sun is shining at last and we are looking to brighten up our outdoor area and to look for opportunities for the children to take part in more outdoor learning experiences. Below is our plan on how to achieve this and we hope you will be able to support us in some way!

On Monday the 10th of May we would like to repeat our very successful 'bring a plant' in day. We have registered to celebrate 'International outdoor learning ' and as part of this the children will be taking part in outdoor learning experiences, including planting the donated plants. Children can wear non-uniform if they bring in a plant.

We are also looking to brighten up our school entrance and would like to set an outdoor project where families plant up an old welly. These would be gratefully received throughout the summer term.

Thank you for your support.

Y6 Charity Committee

Dear Parents/Guardians

On Tuesday 11th June, we are holding a KS2 bake sale to raise money for Dementia awareness. Each cake will be 50p, however the sweet bags will be £1.00. The maximum amount of money each KS2 child can bring will be £1.00. We think this is a fair amount as cakes are only 50p and it allows children the opportunity to buy two cakes.

The reason we decided to choose this charity is because its not very well known and it would be amazing to help doctors and families to provide more support.

Thank you for your support

A vertical stack of 20 identical purple cupcake icons. Each cupcake has a purple liner, a swirl of purple frosting, and a small purple cherry on top. The stack is arranged in a single column, with each cupcake slightly offset to the right from the one below it, creating a sense of depth.

Year 6 - Crucial Crew

Before half term Year 6 went to Pen-y-Garth School to attend a *crucial* event! 'Crucial Crew' brings together a number of PSE linked workshop sessions delivered by professionals representing their respective charity or organisation. During the afternoon, Year 6 had the opportunity to find out about the work of a number of organisations and how they can help to keep us safe these included: RNLI, Meic, Rail Life and Western Power.
