HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

We have had a wonderful term with many opportunities to celebrate the learning and the talents of our children.

I would like to take this opportunity to thank you for your continued support in protesting against the inequalities of school budgets. I am very pleased to inform you that after many cost cutting measures, we will be able to balance our budget this year. However, it has been at a cost and we will undoubtedly face the same problems next year unless significant changes are made to budget formulas. I will be holding an information meeting next term to discuss ways forward—more information to follow.

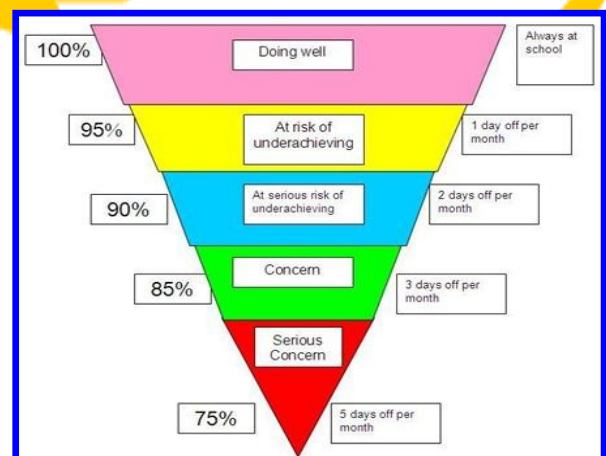

Thank you again for your support

Mrs Daniels

Healthy Living Club

We have been busy gathering anonymous ideas from the pupils in Victoria Primary school using a comments box and one of the main areas children would like to improve is access to water during class time. With summer term just around the corner when we would like to adopt a 'bottles on desks' idea, if you have a reusable bottle at home please could your child bring it in to school. They can be returned each night to be cleaned and refilled with water ready for the next day or the children can leave them in school and refill them the next day.

Many thanks, Healthy Living club
