HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

Our whole school theme, Victoria Museum, has begun and the children have enjoyed the opportunities to immerse into the topic e.g. experience days, visitors and trips. We are very fortunate that so many parents have supported these events.

This evening, the PTA will be holding their annual Quiz Night at the school and we would like to see lots of members of the school community there. It is a very enjoyable evening but, most importantly, it raises crucial funds to support your child's educational learning and experiences. We hope you can join us.

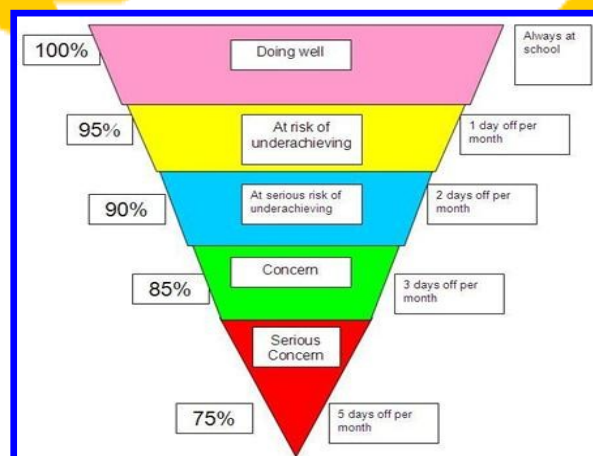

Have a lovely weekend

Mrs Daniels

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 96%. A special well done to Class 1CW who had the highest attendance with 100%. WELL DONE!

Getting Muddy, Raising Money

On the 8th of September we, (Katie, Holly, Isabella, Sarah, Ffion, Rosie, Year 6) ran a VERY muddy 5km in Cooper's Field, Cardiff as part of a Pretty Muddy event. It took us about 35 minutes to run the course and it was great fun.

So far we have raised over £1,000 for Cancer Research and for the people still fighting cancer.

Our favorite part was probably when the firemen soaked us with freezing water.

Year 6 Immersion Day

Earlier this week, Year 6 kicked their WW2 history topic off with a range of different activities. The children experienced an immersion day in school where they understood what it was like to be in an air raid during the war as well as creating and tasting different World War 2 recipes.

In addition to these activities, Year 6 also visited the Royal Welsh Regimental museum where they learnt a lot through role play. The children really enjoyed their experiences and learnt a lot in preparation for the rest of the topic.

The New Curriculum Task Group

Congratulations to the new CTG who will be working hard to ensure that our theme weeks are both exciting and engaging. They have already decided the focus for this term's theme week and have chosen the task for our first Family Learning Project—more details to follow soon.

Charger Request

As a school, we are currently in need of some old-generation apple charging leads and would be grateful for any donations of leads that are in good working order. If you have any spares at home, or leads you no longer need, please could you drop them into the school office. Thank you in advance.

Spooky Disco

On Thursday 26 October, we will be holding a spooky fundraising disco, in order to raise funds for end of term celebration treats. The KS2 discos times are as follows:

Years 3-4 16:00—17:00 years 5-6 17:00—18:00

The children will be able to wear their favourite spooky costume and, for £2.00, will have entry to the disco and be provided with a spooky snack and drink.

Harvest

On Friday 19th October, the children will be visiting the Tabernacle Church for their Harvest Festival. Once again, we would like to contribute to the food bank that the church organises, and we would appreciate it if every family could donate a dried food item.

In order to create a display of the food, we would like the items to be sent in to class **by Wednesday 17th October**.

Thank you for your generosity.
