HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

This week, in assemblies, we have been celebrating Black History Month. The children have learnt about the reasons why we have Black History month and the important figures in black history, and present day, who have made a significant difference to the lives of others. We have also looked at the importance of celebrating and appreciating all differences.

Next week we will be carrying out our termly teacher/ parent meetings. Due to current circumstances, all meetings will be **online**; please see the instructions at the bottom of this page. You will be emailed a link to join the meeting at your scheduled time. If you have not received the link, please let the school know. If you are unable to attend an online meeting, again please let the school know so that a phone call appointment can be made instead.

This year, we would still like to arrange a Harvest collection for the families in our community. We are asking for all donations to be left in the designated boxes, under the shelter, on **Friday 22nd October**. The children will participate in an online harvest assembly and we will organise for the donations to be transported to the local food bank, Foodpod, for distribution. As always, your generosity is much appreciated.

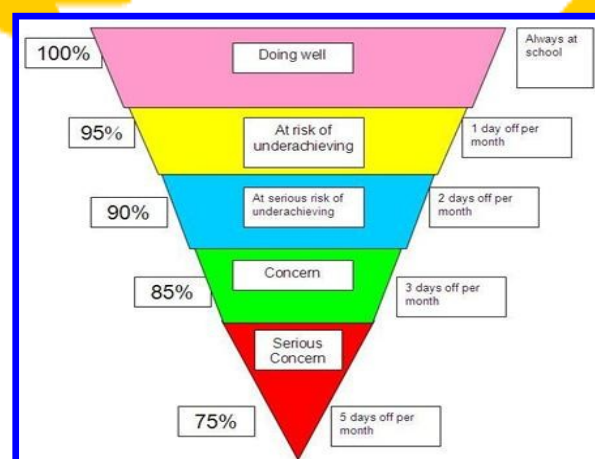

Many thanks for your continued support.
Have a lovely weekend.

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 95%. A special well done to Classes 1B and 3N who had the highest attendance with 98%. WELL DONE!

Parent/teacher meetings

Parent/teacher meetings will be held virtually this year, so it is vitally important that we have your current email address.

You will need to do the following, prior to our meeting:

1. Book your parent/teacher meeting via the text link.
2. Download Microsoft teams app and set up an account using the email that you have given the school.
3. The classteacher will email you a link to the meeting.
4. At the time of your appointment, the classteacher will give you access to the meeting.

If you have any questions, please contact the school office.
