HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

A huge thank you for supporting us in ensuring that the children have had a successful first half term back at school. Well-being and exciting learning opportunities have been our main priorities and we look to build on this after the half term break.

The children's task over the half term is to enjoy the season of Autumn and the outdoors. Classteachers have added some ideas to Google classroom.

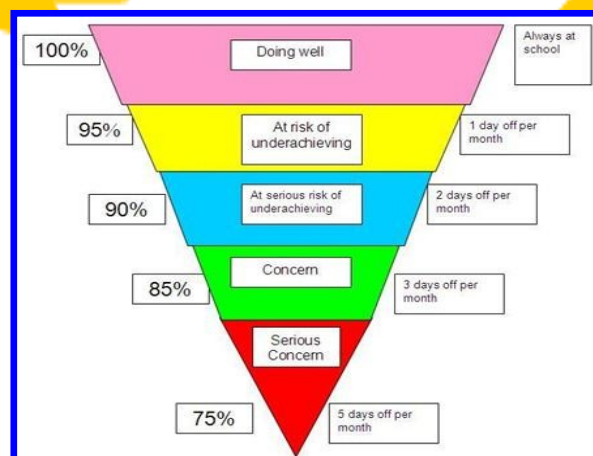

Many thanks for your continued support. Have a lovely half term break and we look forward to welcoming the children back on **Tuesday 2nd November**.

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 93%. A special well done to Class 6E who had the highest attendance with 97.4%. **WELL DONE!**

Raising money for the RNLI

Evan Greenall (5OW), along with his brother Byron (2G) and Tom Hall (5OW), have recently raised some money for the RNLI. They organised film night and raffle for their friends over summer.

The boys presented their monies to the Penarth crew last week. Well done boys!
