HEADTEACHER'S THOUGHTS THIS WEEK

Annwyl Parents/carers,
Thank you to all the parent/carers who attended parent/teacher consultation meetings this week; we hope you found them useful. If you were unable to make the meeting, please contact the classteacher to rearrange.
Thankfully the weather was kind to us today for our annual Danceathon. There were many disco divas spotted and I would like to thank you for supporting the fundraiser. All monies raised will help fund new books and storage for our library and book corners, and replace some of our very tired home readers.

Have a lovely weekend.

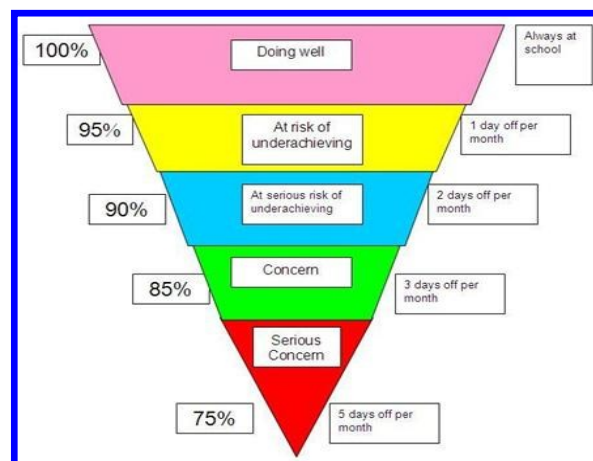

Diolch yn fawr for your continued support.

Mrs Davies

PRESENTOLDEB

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.
School attendance for this week was 94.33%. A special well done to Class 4FO who had the highest attendance with 98%.
WELL DONE!

Sensory Garden

With the sun shining, it has been wonderful to see our children enjoying our new sensory garden. A huge thank you to Big Fresh for providing a grant for us to put the plans in place.

‘Its inspirational! The sensory garden helps us to get involved in the environment. Just because its small doesn't mean we cant make a difference.’ Scarlett Mai

‘It’s a wonderful, calm space where we can read a book and relax away from the noise of the playground.’ George

‘I love the bug hut! The flowers and the archway make you feel like you are entering a different world.’ Ava and Niamh

Before

Year 1 Bryngarw Visit

The year 1 children enjoyed their trip to Bryngarw Country Park on Thursday. They explored the woodland trails, completed a spotters task and tried to find some mini-beasts! I'm sure the children loved having time in the park area too before heading back to school. Gwaith gwydh blwyddyn 1!

Danceathon

Times Tables Rockstars

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools in Wales. The competition runs from 07:30 BST Tuesday 1st April 2025 to 19:30 BST Thursday 3rd April 2025. It's all done online via play.ttrockstars.com.

Children can play in any gamemode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes between 07:30 BST and 19:30 BST, Tuesday 1st April 2025 to Thursday 3rd April 2025. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans.
