HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

Thank you for your support in ensuring that your children feel safe and secure as they are dropped off, and collected, from school. We are grateful to all of the parents who are following the rules, and wearing masks, at these pressure point times.

Please remember that, due to restrictions imposed to combat the spread of Covid-19, no visitors to the school are permitted. Please do not attempt to access reception to ask to see staff or your child or to drop off items that your child may need. If you have any queries, please see the staff on the door in the mornings or, alternatively, contact the school office via email or telephone.

We are currently able to arrange for any pupils displaying symptoms of Covid-19 to be tested - if you need to access this service please email school to request a test. Staff will need to ask a number of questions in order to complete the referral form.

Our staff have been working hard on contingency planning to create blended learning support and resources for parents/carers and pupils in the event of any form of partial or full school closure. This week, the children have been logging onto their accounts so that they can independently access learning from home. We will continue to upskill the children so that they are familiar with all of the online resources and support available to them.

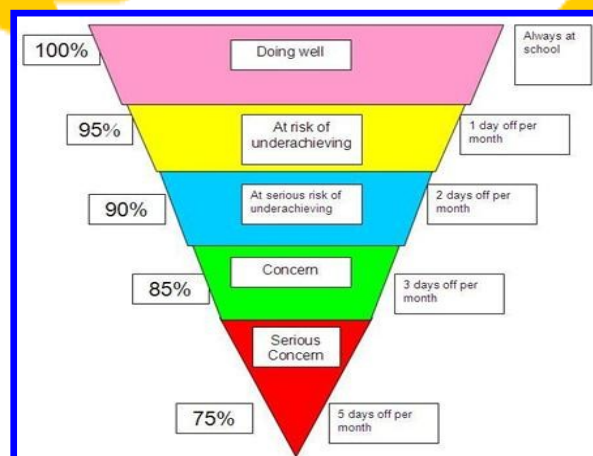

Many thanks for your continued support.

Mrs Daniels

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 91%. A special well done to Class 3FY who had the highest attendance with 98%. WELL DONE!

Meet the teacher Meetings

We will be holding our annual 'Meet the teacher' meetings via Zoom this year, which will give parents an opportunity to find out key information for the year ahead.

These meetings are invaluable in receiving information that will assist both you and your child in preparing for their time in their current year group. There will also be an opportunity to ask any questions that you may have.

Please see the calendar on the back page detailing the date and time of your child's year group meeting. For those unable to attend, a useful PowerPoint will be added to the school website.

Welcome to the new Reception classes

After attempt 142, here are our Reception class who have had such a wonderful start to 'Big School'. We are very proud of you all!
