HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

Another eventful week!

This week we have had over 400 children receive the flu vaccination. An amazing response; thank you for returning your consent forms.

I am incredibly proud of our community for working together to successfully hold our very first online parent/teacher meetings. It has been a learning curve for us all, but so incredibly important to have face to face meetings, in order to discuss progress and ways forward. If you were unable to book a meeting, please contact the office to arrange an alternative time.

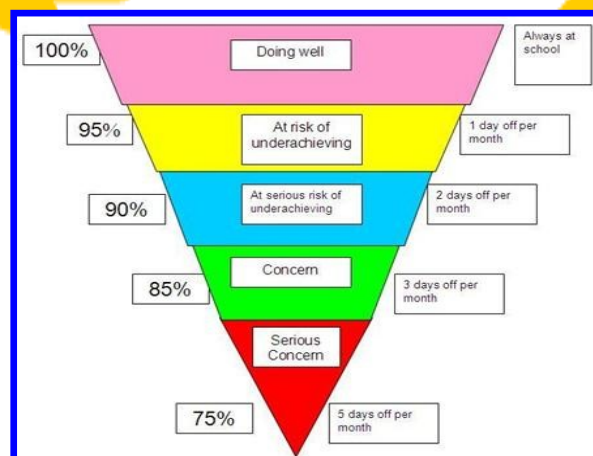

Many thanks for your continued support.
Have a lovely weekend.

Mrs Daniels

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 96%. A special well done to Class 3N who had the highest attendance with 100%. WELL DONE!

Harvest Donations

This year, we would still like to arrange a Harvest collection for the families in our community. We are asking for all donations to be left in the designated boxes, under the shelter, on **Thursday 22nd October**. The children will participate in an online harvest assembly and we will organise for the donations to be transported to the Tabernacle church for distribution. As always, your generosity is much appreciated.

Glamorgan Music School

A Welcome From Glamorgan Music School

As Head of Glamorgan Music School, I would like to welcome the students, staff and families of Victoria Primary to the GMS family. We are delighted to have been invited into the school to enhance the music provision.

We are looking forward to including the Year 3 full class strings project in our online Christmas concert, and as restrictions ease and lift we will be affording further performance opportunities with the help of our friends in RWCMD and Trinity College London.

The instrumental lessons that we currently provide in Victoria are: brass, piano, violin, viola, cello, guitar and ukulele (on request - either through us or Mr Whitting directly) and harp. If students would like lessons in any of these instruments, it is not too late to sign up. Registration is either through our website www.glamorgan-music-school.co.uk/store where there is a 'half term' option available, or if parents would like to spread the cost with a standing order, please email glamorganmusicsschool@gmail.com and request a form. We have free instrument loan available on most instruments and we are keen to get lots of students learning!

If you have any questions or queries, please don't hesitate to get in contact - we are very approachable and love hearing from our students and their families!

Many thanks,
Caroline Venter.

Year 4 Yoga

Class 4NS have been thoroughly enjoying yoga. They are learning new moves, stretching their muscles and improving their core strength. Miss Smith is very proud of their efforts.

Calendar 2020/2021
