HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

We have had a very exciting and enjoyable theme week, decorating our trees for the Christmas Tree Festival and designing outfits for Santa. The baubles designed for our Family Learning Project were very impressive indeed!

Children and staff have also completed filming their Year group Christmas celebration Video. The link will be shared on Monday so that families can enjoy watching together at home.

On Monday, we welcome back Year 4 and Nursery morning children in line with the new 10 day isolation rule. School has certainly been quiet without the children and we are looking forward to seeing them.

Have a lovely weekend

Mrs Daniels

ECO

Members of the Eco committee has met and discussed possible ways forward for our school project of recycling crisp packets. We have asked for your help previously collecting crisp packets at home and sending them in with the children to give to their class teachers.

The committee decided on an idea to encourage maximum collecting; which is to run a competition during the Christmas Holiday period.

We are challenging the children to bring in as many crisp packets as possible during January 2021 – the class that collects the most will have a class treat!

Good Luck – Start Collecting!

Many thanks for your support
