HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

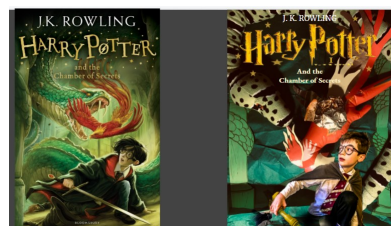

Well, we are nearly there; on Monday, we will have a full school again! Please read the organisation arrangements carefully so that we can ensure a safe return for all of our pupils. A reminder that returning to school is not yet returning to normality. In order for us to stay in school, it is important that children still refrain from attending play dates and sleepovers. Hopefully we will see these resume in the not too distant future but for now the focus is keeping our children in school. When the children return, we will be focusing on catching up—catching up with our friends and settling back into school routines. Our children have been heroes and we cannot underestimate the resilience and creativity they have shown throughout this unusual and challenging experience. I am so proud of each and every one of them and, as a school, we are determined to ensure that they have a wonderfully happy and memorable learning time now that they are back with us.

Thank you again for your super support

Have a lovely weekend

Year 4 creativity during Book Day

Red Nose Day is back!

Red Nose Day is back on Friday 19th March and this year it's never felt more important to have some fun and raise money to support people living incredibly tough lives. We need the power of fun to turn laughs into lasting change. On this day, the children will be invited to come into school wearing red. They can bring a donation in providing it is in a sealed envelope.

Year 3 had great fun recreating book covers for World Book Day! We think they look absolutely amazing and we can't wait to create a new display of them all. Here are just a few of their ideas!

Year 5 World Book Day Day

As part of World Book Day at home, Year 5 were set the challenge of creating scenes with books and props. The scenes that they have created are really effective and we are so proud of all of their efforts! What pictures can you see?
