HEADTEACHER'S THOUGHTS THIS WEEK

- Dear Parents,
We are all so happy to have the children back—I had just forgotten how loud it is when they are all in school!
- The children have been brilliant this week and have settled back quickly into the daily routines.
- Thank you parents for helping us to find the most efficient way to get the children into school—some tweaks for next week so please read the information below.
- This week we have taken part in Young Carers' Action Awareness Days. It was very interesting to explore the definition of a young carer and find out about the support available for young carers. Please get in touch with the school if you think that your child may be a young carer.

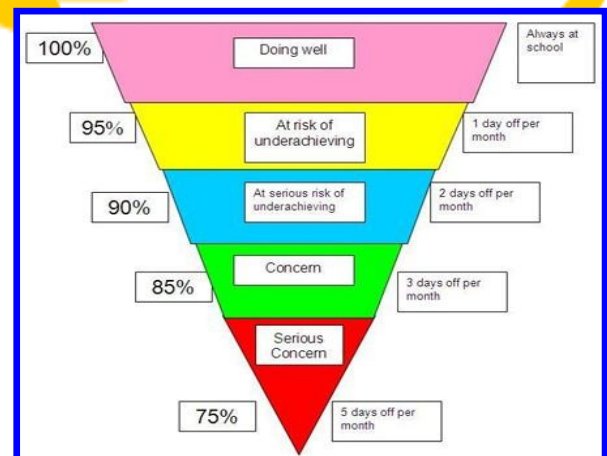

Have a lovely weekend

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 96%. A special well done to Class 1B who had the highest attendance with 100%.
WELL DONE!

Rugby with 2G

Over the last few weeks 2G have been using the yard on a Friday to practice their rugby skills with our very own Wayne Pivic, Mr Adams. They have been busy practicing their teamwork skills, passing skills, tackling (some were very strong they almost knocked Mr Adams over!) and played some exciting (and at times very close) games of tag rugby. The children thoroughly enjoyed the games and we have certainly got some future Welsh players at Victoria!
