HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,
Last week, we had great fun participating in our Wales World cup theme, organised by the Curriculum Task Group. The children participated in many activities from studying human rights to designing a new futuristic stadium.

Thank you to all the parents who supported the RSE workshop. We appreciate that lots of parents have work commitments, so we will run an online version in January.

Our annual Christmas Fayre, organised by the PTA, has been postponed until Saturday 10th December. This is a wonderful event, where all proceeds will go towards the new trim trail. We hope to see you there.

Finally, I would like to thank you for your on-going support during an extremely difficult week for the whole school community.

Congratulations to Ellie Weigel who won a World Cup ball for her winning entry in the 'design a new football kit' competition.

School Ambassadors

A massive congratulations to the following children who have been chosen as this year's school ambassadors. This is a huge honour and we have no doubt that the children will do a fantastic job.

Y5 Rock Talk

Mrs Harvey kindly visited Year 5 to help them with their work on rocks and soils. She showed them different fossilised rocks that showed plants and animals, discussed how coal is a sedimentary rock and how this is formed, including the importance of mud floods. Mrs Harvey then demonstrated all of this through making crisp sandwiches to show how layers are formed

Rugby Superstars

Congratulations to Gabe and Reilly (Year 6) who were recently selected for the Vale of Glamorgan under 11's rugby squad for this season.

Well done boys—we are very proud of you!
