Family Leaning Project

The Curriculum Task Group have planned The Rights of a Child Theme Week, for the week beginning Monday 24th April. They have many events planned, including an Oscar style ceremony to celebrate the films that the children will make during the week.

They have decided that the family learning project will be to create a short story or comic strip about Children's rights. You can choose one of the rights or several. For more information on The Rights of the Child, please see the link below. There will be a prize for the winning project.
