HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parents,

As the temperatures plummet, it is essential that children come to school dressed appropriately for the weather.

The children go outside for many aspects of their learning, as well as for the regular break times and lunchtimes. Therefore, we would appreciate it if you could send your child in with a labelled warm coat, hat and gloves.

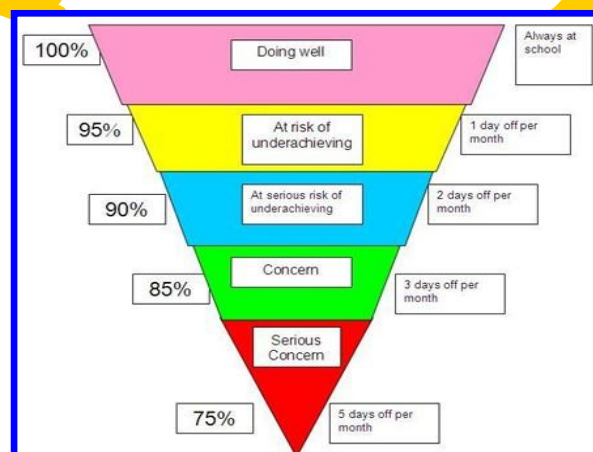

Thank you very much for your ongoing support.

Have a lovely weekend

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 95%. A special well done to Class 15 who had the highest attendance with 99%. WELL DONE!

Year 2 Maths

Year 2 have been learning about arrays and multiplication using food - Food Maths!

Cereal arrays and MARSHiplication are excellent and accessible ideas could be used outside of school. Please let us know if you try any of these ideas at home.

Year 6 Cycling

The week beginning Monday 23rd January and 30th January, Year 6 will start their cycling proficiency sessions. Sessions will take place every morning and afternoon.

This course can only take place if parents are able to accompany the instructor during the school hours. This is a marvellous opportunity for the children to learn how to ride a bike safely on the roads and we would be very grateful for any support.

Please contact Year 6 teachers if you are available to help. Thank you in advance.

Internet Safety Meeting— **change of date**

On **Thursday 30th March** at 6.30pm, PC Mudie will be delivering an information meeting for parents on the importance of internet safety; we would urge as many parents as possible to attend this vitally important session.
