HEADTEACHER'S THOUGHTS THIS WEEK

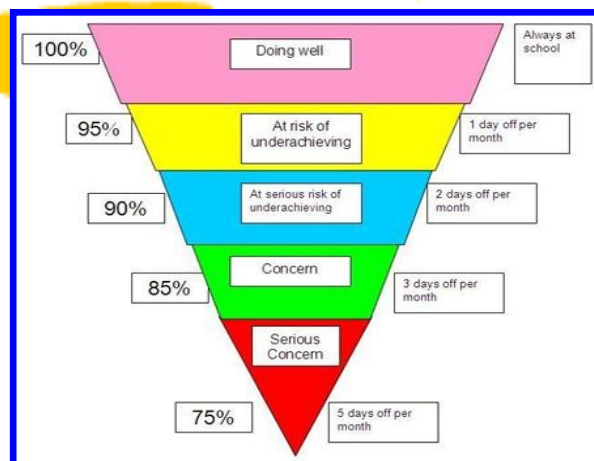

Dear Parents,
We have had a very exciting week, with a visit from two RAF pilots. They spoke to Y6 children about life as a pilot, then attended FP assembly, where they accepted pictures from Idris and Dyfan Evans. We hope to welcome them back next year to run STEM workshops for the children.

Have a lovely weekend
S Daniels

Just to get you thinking...

The answers to last week's riddles: teapot/tea towel/ the man was bald/the horse was called 'Friday'

The following are ways to encourage your child, regardless of age and ability, to think for themselves and to make connections with what they already know (There is no need to write anything down!)

'Doing your best is more important than being the best' What do you think?

Write out the numbers from one to ten in alphabetical order. Are any in the correct place?

Are we becoming too reliant on computers and the internet?

Year 4	Taste of Italy
Year 5	Film Night

Please send in your donations to your child's classteacher.

YEAR 4 Gardening Club

This week gardening club visited West House to meet with local councillors regarding the development of the community garden. The children had prepared a portfolio of ideas including posters to attract visitors to West House and raise awareness of the project and detailed plans for the garden. Victoria Primary have been allocated a raised bed currently under construction in which to grow flowers, fruit or vegetables in the autumn. Gardening club voted to have the raised bed painted a seaside blue. Well done everybody !

Y5 residential trip to Llangrannog

Last weekend year 5 got to spend a boiling hot couple of days away at Llangrannog and experienced many different activities, showcasing their team work, determination and perseverance. A great time was had by all and the children were a credit to our school.
