HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parent/carers,
Wow! What an incredibly busy week, but a week of great fun and super learning! Monday we helped the RNLI celebrate its 200th anniversary, Y6 have been participating in cycling lessons, Y5 and Y6 visited the Paget rooms to meet a real life author, the whole school celebrated World book day and we ended the week with the Mother's Day secret room organised by our wonderful PTA. Thank you all for supporting these memorable moments in the learning journey of our children.
I would also like to ask for your support in making our playground a safe one for our children. A gentle reminder that our school site is a no smoking site, which also includes vaping. We are also a no mobile phone site due to safeguarding; this includes older siblings as well as adults. We will be monitoring the situation closely over the coming weeks. Thank you for your ongoing support.
Have a lovely weekend

Learning about Ramadan

As an inclusive school we always recognise and celebrate the customs and celebrations of other faiths. As some of our Muslim families will be taking part in Ramadan next week we thought it would be a good idea for members of our diversity group to help lead an assembly.

They took part in a very interesting and insightful question and answer session with the rest of the junior children. Some of the questions included: 'Do children have to fast all day?' 'What types of meals are cooked during Eid?' I was proud of the confident and engaging way in which the children talked about Ramadan.

Happy Ramadan
