HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parent/carers,

As an addition to last week's reminder that our school site is a no mobile site, we have revised our procedures for children bringing phones into school.

Year 5 and 6 children are permitted to bring their phones into school, but must hand their phone to the class teacher at the start of the day. Phones will be given back to children at the end of the day, however they must stay in bags until the children are off the school site.

New permission slips will be redistributed for parent/ carers to sign.

Thank you for your ongoing support.

Have a lovely day

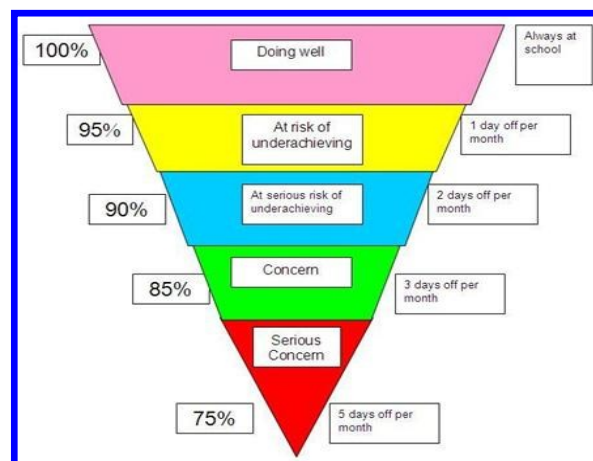

Mrs Daniels

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 94.2%. A special well done to Class 5M who had the highest attendance with 97.4%.

WELL DONE!

Diversity Open Day

On Friday, we hosted a diversity open day with many visiting Headteachers and teachers from schools in Wales. I'm so incredibly proud of our Diversity Group who honestly and articulately talked about how important inclusion is, and their role in making our school a community where everyone belongs. Our visitors were very complimentary about our 'inspiring' school and children.

School Nurse- Parentline

Parents and carers with children aged 5-11 years can access a school nurse for advice and support with a wide range of health problems.

This isn't a diagnostic service but we can provide information on topics such as emotional wellbeing, healthy eating and continence issues.

To contact a school nurse, text 07312 263178. Text messages will be monitored between 8.30am and 4.30pm Monday to Friday (excluding bank holidays) and the Cardiff & Vale UHB School Nursing team aims to respond within one working day.

This service is available during school holidays.
