HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parent/carers,
Well another wonderful week where I have immense pride in our children.
On Tuesday, members of the Diversity Group spoke passionately to the Governors about the fantastic work that they are doing. They also organised the extremely successful wear yellow day to raise awareness of allergies.
Finally, the team spirit and effort in our annual sport's day was extremely impressive. Well done to all who took part!

Have a lovely weekend .

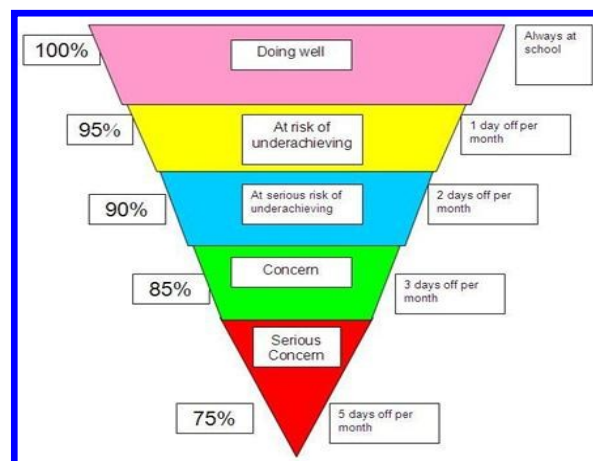

Mrs Davies

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 93.6%. A special well done to Class Y4PW who had the highest attendance with 97%.

WELL DONE!

Safeguarding Concerns

As a school we have been using a system called My Concern to record and report all our safeguarding and bullying concerns which helps bring all the information together in one place and makes managing and investigating issues much easier. We are now in a position to share and trial the parent aspect of this system with you with the intention of improving the communication and response to concerns you report. The form will be sent directly to the school safeguarding leads. Moving forward we request that if you have a safeguarding or bullying concern about a child in our school you report it via My Voice. The link and QR code below will take you to a form to complete:

Super Sports Days

Last week the children took part in their sports days.
Thankfully the sun was shining and conditions were perfect.
The children had a great time showcasing their athletic skills, determination and perseverance. It was also wonderful to see children encouraging each other. Many thanks to all those who supported the events.

Bring a plant in day Wednesday 5th of June 2024

It's that time of year again when the sun starts to shine, and we get our green fingers back out to make our school grounds look bright and colourful.

Gardening club came up with possible themes and the school council voted on it. **The winning theme was school colours!**

We would be very great if you could bring in a plant to match this theme and led by gardening club every year group will be able to take part in our big plant up week.

Thank you for your continued support!

Allergy Awareness Day

Allergy awareness day was a great success! Thank you for your everlasting support and kindness in helping us in raising awareness.
