HEADTEACHER'S THOUGHTS THIS WEEK

Dear Parent/carers,

We are quickly heading to the end of the school year and today you will receive your child/children's end of year report. Please take the opportunity to go through it with them and celebrate their successes and their next steps in learning.

We are fortunate to have very dedicated and talented staff here at Victoria, however sadly we will be saying goodbye to the following staff next week: Mrs Poole, Mr Adams, Mrs Emily Young, Miss Barbato, Miss Griffin and Mrs Carolan (who has been with us an amazing 28 years!). I would like to thank them for their care and dedication and wish them well in their future adventures. They will be greatly missed by us all! Have a lovely weekend

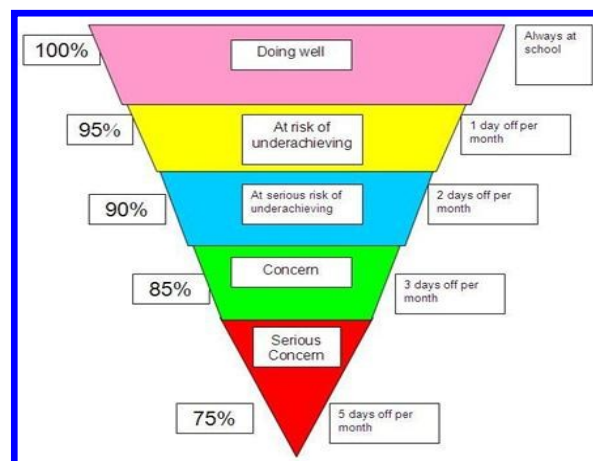

Mrs Davies

ATTENDANCE

Below is a pictorial reminder to parents on how important it is for children to attend school everyday. We would like to thank you for your continued support in this area.

School attendance for this week was 93%. A special well done to Class 6OH who had the highest attendance with 97.3 %.

WELL DONE!

Safeguarding Concerns

As a school we have been using a system called My Concern to record and report all our safeguarding and bullying concerns which helps bring all the information together in one place and makes managing and investigating issues much easier. We are now in a position to share and trial the parent aspect of this system with you with the intention of improving the communication and response to concerns you report. The form will be sent directly to the school safeguarding leads. Moving forward we request that if you have a safeguarding or bullying concern about a child in our school you report it via My Voice. The link and QR code below will take you to a form to complete:

Visit from Jacob and Conrad- National Youth Orchestra

Year 1 and 2 were treated this week to a visit from two very talented musicians. Jacob Adams, a former Victoria Primary pupil, and his friend Conrad who are part of the national youth orchestra, played some pieces for the children, talked about their instruments and answered lots of questions from the children. They even helped some of them have a go at making a sound on the French horn. We have some naturals in year 1 and 2.

Protecting our local environment- theme week- children who have changed the world

"During our theme week year 2 explored how children around the world have chosen to do amazing things to change our world. We looked at how children have worked in conservation and the protection of animals around the world, and how we could protect and help animals in our local area".

Tafwyl

Tafwyl is a free event which takes place each summer (on our doorstep) in Cardiff. It's based in Bute Park and is all about celebrating Welsh arts and culture. Entrance is free! Tafwyl 2024 takes place this weekend; on the 12th to the 14th of July.

"It's a great way to celebrate Welsh culture and art in a friendly and relaxed environment. Being a non-fluent Welsh speaker doesn't restrict you from enjoying the event at all. There's a special tent for Welsh learners, with special guests on the stage, art and craft for the children and a café available all day. A great way to know more
